Letter No. 1764 dated the 23rd May 1940 from the Executive Engineer, Kolar Division, Kolar, to the Superintending Engineer, Mysore Circle, Mysore.

Re:- Ownership of old police station building in Sidlaghatta Town.

In continuation with this office reference letter No. 1296 dated 3-3-40, on the above subject, I have the honour to state that the Deputy Commissioner, on further consultation has forwarded a copy of Sidlaghatta Town Municipal Council President's report No. M1 155/39-40 dated 11-3-40, (copy enclosed) in the matter and states that the building in question may be allowed to continue in the possession of the Municipality since the financial condition of the Municipality seems to be unsound and the Municipality does not even own a Municipal Office at present As regards ownership of the building I wish to state that the building is borne on the register of Government buildings maintained by this Department with a capital cost of Rs 1,856/- as already reported in this office No 1296 dated 3-3-40 Further, the Municipality has not got any documents in its possession proving that the property was built by the residents of the town, and that as such, the building actually is a Municipal property In the absence thereof and on account of its being borne on the Public Works Department building register list, it should be considered as belonging to Government and under Public Works Department control When the Police Station was shifted from this building and the building which was for some time vacant, proposals for converting it into Sub ---- Overseer's quarters were dropped for want of funds Under the above circumstances, I am of opinion that as recommended by the Deputy Commissioner in his letter No A5.C 2218/36-37 dated 7-4-40, the building may be allowed to be used by the

Municipality

Municipality temporarily for 2 years as a reading and store room and that the Municipality should be requested to make early arrangements within that time to construct their own buildings and vacate the quarters required urgently by us for Suboverseer's quarters. The building is not kept in proper repair and the same should have to be kept repaired by the Municipality during these 2 years

---

OFFICE OF THE DEPUTY COMMISSIONER,
KOLAR DISTRICT

In all future correspondence please quote this
No. A.5.C.2218/38-37,
Encls

Dated Kolar, the 10th. March 1939

From

G. Sundara Rao, Esq., B.A.,
Deputy Commissioner,
Kolar District.

To

P. H. Krishna Rao, Esq., M.A.,
SECRETARY TO GOVERNMENT OF MYSORE,
Local Self-Government *Department,*
Bangalore.

Sir,

Subject:- Ownership of the old Police Station building in Sidlaghatta Town.

- - - - -

I have the honour to state that a reference was received from the President, Town Municipal Council, Sidlaghatta on 2-12-1936, stating that the building in which the Town Police Station was located was lying vacant since 3 years past consequent on the abolition of the town Police station and he requested that permission may be accorded to take possession of the building by the Municipal Council and use it as a polling Station in connection with the Municipal Elections to be held on 18th December 1936 after effecting certain urgent necessary repairs.

The District Superintendent of Police, Kolar, who was consulted in the matter reported on 20th January 1938 that the building was not required for the use of the Police Department and that arrangements may be made to hand over possession of the building to the Public Works Department or deal with it in any other manner possible.

The Municipal Council in the meanwhile, it would appear, repaired the building at a cost of Rs.62/- and made use of the building as stores room and for running a free reading room in one portion of the building.

The Executive Engineer, Kolar Division, who was then requested to kindly hand over formal possession of the building to the Municipality stated in reply that it was a Government building with a listed capital cost of Rs.1,856/- as noted in the Buildings Register of his office and has suggested that the President of the Municipality may be instructed to hand over possession of the building to the Public Works Department.

After making local enquiries in the matter the President of the

Municipality

Municipality has made a detailed report It is ascertained tha building in question was constructed about 50 years ago out of pub subscriptions and intended to be used as a dispensary a ~~used as a dispensary~~ and was actually used as such for a fairly time, till the present new building was constructed. This stat that the ownership of the old dispensary building reverted to the cipal Council. It was subsequently used as the Town Police Stat for some time till it was abolished, about the year 1925. Later Free Reading Room is stated to have been started in the same building but was closed for want of funds. The building was subseqnently used an adjunct to the local Primary School for sometime and then to th Kasaba Police Station till as a result of the retrenchment of the extra Police Staff this building was again abandoned by the Police Department and its ownership again reverted to the Municipal Council who after spending some amount over its repairs have since been us it as stated above for keeping their movables and for running a Re Room which has also been revived.

The Municipal Councillors corroborate the above facts and reque that the building may be allowed to continue in their possession. enquiries go to show that the building was originally put up out of contributions by the public. Though the inclusion of this building in the Register maintained by the Public Works Department would, of course, raise a presumption of ownership in favour of Government, I am of opinion that the Municipal Council may be permitted to use the building for their own purposes, free of rent, subject to their kee it in good repairs from time to time I request you, therefore, to so good as to obtain Orders of Government accordingly

The report of the President and the statement of the Municipal Councillors in regard to the above subject are enclosed, herein, for favour of reference.

I have the honour to be,
S i r,
Your most obedient servant,

For ~~Deputy Commissioner~~,
Kolar District.
(Absent from Station).
